

Summer Guest Ranch! In Western Washington

Join Horses for Clean Water,
North America's premier, award-winning, green horsekeeping
educational program for some good, clean horse'n around!

Enjoy the Pacific Northwest on well-trained Western reining horses! Washington State's summers rival no other with their tall Douglas fir trees, star-lit nights and breathtaking mountain views. Be a part of a working horse farm and learn about horses, horse care, and the environment in this safe, structured program. Ride guest horses through deep wooded forests and across mountain trails. At night soak in a hot tub under the stars accompanied by the howl of coyotes. Room & board provided with plenty of horse'n around in a fun, safe, and positive environment.

One adult or adult couple per week
Available June through September, 2009
Cost: \$1000/week

Maple Valley, WA USA
